

Dear

Positive response to our Capital Campaign at Stanley Bridge Centre is ongoing, and we are encouraged by many of you who have made a contribution!

Again, we ask you to consider that continued monetary support, which will enable our Centre to serve the community and visitors alike in the years that follow. Some of you will be making a first time contribution, and we are most grateful to all!

Plans on moving the building to another location on our property have been shelved at present, but other more pressing plans are developing, which will see the addition of a new well and septic system, bathroom, full kitchen facilities, an extension to the rear of the building, a new heating system, and minor roof and steeple repairs.

In past solicitations, many responders made donations honouring the memory of loved ones or close friends a wonderful gesture, indeed one you might consider!

Please make your cheque payable to “The Stanley Bridge Memorial Society Inc” ... and mail it to “Box 32011, Kensington, PEI, COB 1M0 all donations are eligible for an income tax credit.

Respectfully Yours!

The Stanley Bridge Memorial Society Committee
